

# How to obtain Luxembourg Visa from Dubai

If you are to know how to get [Luxembourg visa from Dubai](#) this article takes you through the types of visas, the requirements, and how to get one. Luxembourg, the smallest country in Europe, is a part of the 27 European countries that canceled border controls in 1995 to establish a common visa policy detailed in the Schengen Visa. This is to say that whenever you receive your visa for Luxembourg, you are enabled to travel anywhere within Schengen without hindrance.

## **What is Luxembourg Visa?**

Luxembourg visa is an official document/stamp which is usually attached to your passport and which allows you to enter and stay in Luxembourg for a specified period of time. This visa allows you to enter, live, work or study on a longer duration in Luxembourg for some time.

You receive a Luxembourg visa when:

- You are not travelling to any other Schengen states and are just going to Luxembourg
- You are travelling to other Schengen countries, but you plan to spend the most time in Luxembourg
- You travel to other Schengen countries, and you will have the same number of days in each, but you enter through Luxembourg (Luxembourg is the 1st country in the Schengen region you will visit)

You can only apply for the Luxembourg visa if you meet the required qualification standards for that type of visa. You then have to submit documents such as a passport, bank statements, hotel reservations, travel itinerary, etc. to prove that you can apply for a visa to Luxembourg. This pass indicates that you are coming in to this Wonderful Island and consent to comply with the immigration rules of the nation.

### **Who should apply Luxembourg Visa from Dubai?**

UAE passport holders can visit Luxembourg for a short stay for up to 90 days without visa. Nonetheless, you will not be allowed into Luxembourg, or any Schengen nation, without documents outlining the reason for being there, proof of finances, and proof of accommodation.

If you are a UAE resident who is not from any of the Schengen visa-exempt countries, then you have to get a Luxembourg visa to be allowed to enter THE country.

Example: If an Indian citizen wants to come to Luxembourg or any other country in the Schengen zone, he/she needs to have what is known as a Schengen visa when in Dubai.

In contrary, a person holding a Canadian passport in anyways in Dubai does not need to apply for visa in order to go to Luxembourg the simple reason being that visa-free travel agreements in the Schengen Area includes within the above-mentioned countries like Canada and many others.

### **Required documents required when applying Luxembourg visa**

**Visa application form:** You need to fill visa application form with correct info as any error will make your application denied.

**Passport:** The passport must be valid for at least three months following the planned exit date from the Schengen area. It should have been issued in the last ten years, have at least two blank pages and have your signature.
